

## Endoscopy Video Submissions

The BSG Annual Meeting 2019 will be accepting videos of endoscopic procedures as part of the abstract submission process. Those who would like to submit a video must accompany their video with an abstract.

Abstracts and accompanying videos will be publicly presented either as oral presentations or as posters in the BSG Endoscopy Section. There will be facilities to show the accompanying video for those abstracts selected for posters. Abstracts will be scored along with their accompanying video.

### Format of video

Patient confidentiality should be maintained throughout the video. All videos should be no more than five minutes in length and be recorded in an easily accessible format (e.g. files ending with the extensions: mpg / mp4 / wmv / avi - queries to [BSGabstracts@conferencepartners.com](mailto:BSGabstracts@conferencepartners.com)).

### How to submit a video

All videos must be submitted electronically using [We Transfer](#) to [BSGabstracts@conferencepartners.com](mailto:BSGabstracts@conferencepartners.com).

For further information or help regarding [We Transfer](#), please feel free to contact [BSGabstracts@conferencepartners.com](mailto:BSGabstracts@conferencepartners.com).

### How to submit an abstract

All videos must be accompanied with an abstract which must be submitted via the [abstract submission portal](#). Please choose "02. ENDOSCOPY VIDEO" as the topic for your submission. For guidelines on how to submit an abstract, please see the abstract submission guidelines.

### Deadline to submit video & abstract

The deadline to submit your video (via WeTransfer) and abstract (via Submission Portal) is **17 February 2019**. Following this date, no submissions will be reviewed.
